

# ST. PAUL HIGH SCHOOL ALUMNAE NEWSLETTER

March 2002

The volunteer choir did a great job!

Candlelighting has always been a special activity treasured in the memory of graduates spanning the nine decades of St. Paul High School. So the tradition of holding an Alumnae Candlelighting has been welcomed in the years since the school's closure. However, the retrofitting work in the church during most of 2000 was barely finished for the Christmas Eve Mass that year, and there was no possibility of any services in the church before that date.

Consequently, it was with great joy that the Alumnae Candlelighting resumed on the evening of Thursday, December 20, 2001. The simple, yet elegant service blends Advent and Christmas readings from the Old and

New Testaments with traditional Christmas carols. The music is augmented by some of the most loved pieces of music in the BVM and St. Paul High School repertoire: the "Hodie" descant to "Silent Night," written by Sister Mary Matthew (Helen) Schneider, BVM, and "Jesus, Light of All the World," composed for three-part women's voices by Sister Mary Meneve McMullen, BVM.

Learning these pieces in anticipation of Candlelighting was always a big part of the class and school practices during December. In the 1980s and 1990s, Sister Maureen O'Brien, BVM principal, made the decision to have an entire class learn one of the three voices to "Jesus, Light of All the World," regardless of individual voice ranges. They would then continue to sing that part through their four years in school. Freshmen learned whatever part the seniors knew so that there would be continuity. The senior class got the privilege of singing the "Hodie," which was always the greatest challenge if the class sang the low alto part for "Jesus, Light of All the World," and then had to stretch up to the heights for the "Hodie."

Members of the Class of 1961 were present in great numbers.

A do-it-yourself choir of about a dozen gradu-

ates representing a wide range of classes came one hour early to practice these two pieces, along with another traditional BVM Christmas Candlelighting song. As always, Pat McQuillan Givens '53, provided piano accompaniment for the entire service.

The candlelight procession through the darkened church, while the haunting a cappella strains of "O Come, O Come, Emmanuel" fill the silence, still sent shivers down many a spine and placed us in the time of waiting for our God. This year especially, we were glad to greet one another and pray for God's coming more and more into our troubled world.

Sr. Maureen greeted women who were graduates in the first year of her principalship (1973-74).

Alumnae President Kay Kelly presented a check for \$1,000 from the Association to Father Mario Farana, St. Paul's pastor, for the on-going campaign to reduce the retrofit debt.

## GOLDEN BELLES OF CLASS OF 1952 HONORED AT ANNUAL ALUMNAE MASS AND LUNCHEON

Sixteen members of the Class of 1952 returned to St. Paul's Church as honorees at the annual Mass and Luncheon on November 19, 2001. With the retrofitting work

in the church completed, the alumns overwhelmingly decided to return to the parish for this event.

How could it be their time to be "Golden Belles" already, when it seemed like just yesterday that they were graduating? Alumnae Moderator Sr. Maureen presented each of these women with a golden diploma, marking this anniversary milestone.

## Networking Jo Stark '54 Vice President

"Hands, Holding Hands, Reaching Out, Touching You, Touching Me" — remember that tune? Let's use that as a theme song to start networking within our Alumnae Association.

Recently, at the St. Paul's Grammar School 85<sup>th</sup> Anniversary reception, I met two alumnae that had, for many years, faithfully attended all our functions. Now, since they no longer drive, they cannot always enjoy our events.

We would love to have more of our alums join us at all our occasions. Wouldn't it be wonderful if we could start a network of sharing transportation? This does not have to be a difficult task. If you are willing to drive, we can put you in touch with someone in your zip code that needs a ride. They might just be around the corner or at least close by. Maybe they were not in school when you attended, but that's the point of reaching out — to get acquainted with new people

Speaking of reaching out: if you have good news — share it. Your classmates and other alumnae would love to hear from you. Your daughter is in the House of Representatives, your son sailed to Tahiti in a rowboat - how can we celebrate with you if we don't know fun facts like these? Maybe you don't have such exotic things happening, but if it's good news to you - tell us!

We've supplied news via this newsletter for years, help us by being a roving reporter. Get in touch with us via email or snail mail and we can tell you the alumnae living in your state or zip code area. Then it's up to you to get in touch with them.

I always credit St. Paul's with the wonderful training we received there. I always say that the nuns who taught me were ahead of their time with the way they taught us to love ourselves and to love God. They told us that we needed to love ourselves first before we could love others. Therapists teach this concept for a fee and we learned it as young people, the way everyone should have a chance to learn it. I have been a manager for many years and I always teach my staffs what I was taught at St. Paul's. I also went on to several colleges, San Francisco State, Napa Valley College and George Fox University, where I obtained my degree in Management and Organizational Leadership. None of these schools came close to teaching me what I learned at St. Paul's...how to write, how to treat folks, how to spell! And the Latin I was "forced" to take as a college prep student has served me well with my vocabulary skills. I was only 17 when I graduated and started working at Bank of America part time while I went to college. I advanced quickly because of the work ethics that my family and my high school experience gave me.

Plus, we had FUN at St. Paul's, even though we were an all girl school. I can remember Sister Josefina throwing Pat Garvey's Latin book out the window onto 29th Street. She astounded us when she did that! Well, maybe she had a good reason...Sister Mary St. Frederick (Freddy, as we called her) was our favorite teacher. She made Geography fun.

They can sell the school but they can't take away the precious memories we have. I loved our traditions - May Crowning and the Christmas Candlelighting. The Hodie is my favorite Christmas song. Please take care and know that I am sure that there are many of us out here in the world who will always credit St. Paul's with giving us a rock solid foundation - one that no earthquake can touch! You can be proud that you were a part of it.

It was so nice to receive the alumnae newsletter. Living so far away from the Bay Area, I haven't been able to participate in reunions, etc. However, I always remember my years at St. Paul's High School as being a happy time in my life and Candlelighting was one of my most favorite parts of the year. I remember all of us processing into church and singing - with our candles lit and the church darkened. It was always so beautiful. I wish I could be there this year.

After leaving the Bay Area in 1968, I moved to Portland OR, Coeur d' Alene ID, and Moscow ID before settling in Lewiston ID sixteen years ago. It is an inland seaport and seagoing vessels come up the Columbia and Snake rivers hundreds of miles to Lewiston. Idaho has been a wonderful place to live and to raise children. The mountains and rivers are nearby and outdoor activities abound - camping, rafting, hiking, skiing, and fishing. Lewiston is located 80 miles south of Spokane, WA.

My family of four are now grown and married and settled up and down the Pacific coast - Seattle WA, Eugene OR, and Santa Clara CA and in Moscow, ID. I have seven grandchildren to spoil so family keeps me pretty busy. I work at Lewis-Clark State College as an administrative assistant in the technical programs area. It is interesting work and I greatly enjoy the students.

I would love to hear from anyone who graduated in 1959. My e-mail address is annsmith@lcsc.edu.

My name is Sue Anne Tabaniag Virey. I have never received any SPSHS mailings. I moved to New York City shortly after getting married in 1984.

I look forward to receiving alumnae news letters from St. Paul's. It's funny how people you meet often ask what high school you went to. I have associated the school with the movie "Sister Act," especially since most people who ask me are from the tri-state (NY, NJ, CT) area. It would be nice to hear news from home in addition to news from my undergraduate and graduate universities.

Please send my warmest regards to Sr. Maureen. Her name has always popped up in stories shared with old classmates that I have had the opportunity to see during our annual Grandma visits to the Bay Area. She was just as much a part of our lives at St. Paul's as any of our classmates.

Love, Sue Anne Tabaniag Virey '81

Great article in the newsletter about the \$8,300! Fits in so well with last weekend's Gospel of the Persistent Widow and the power of "nagging." If you divide the number of hours spent in chasing this down into the total received - how much an hour did you get?

Thanks for the example we all need to follow of patience and stick-to-it-iveness.

God bless, Eleanor O'Neill Fesunoff '57

Congratulations to my esteemed colleague, Sister Immaculee, on her Diamond Jubilee.

I live in Bath, England and teach Physics and ICT (Information Communications Technology) at Speedwell Technology College in Bristol, England. Sister Maureen will be pleased that I learned from her and have so far been a successful, effective Homeroom Moderator for my 8th graders (Form Tutor, Year 9).

## ALUMNAE PAST-PRESIDENT MARY ANN O'KEEFE DIES

Mary Ann O'Keefe '48, Past President (1966-1968), and long-time faithful member of the SPS Alumnae Association, died at her home in Sonoma, November 16, 2001.

Her list of memberships reveal a life of service and outreach to others. She was a charter member of the Ladies Ancient Order of Hibernians (LAOH) - St. Rose Chapter, belonged to the United Irish Cultural Center, participated with the St. Vincent de Paul Society and Meals on Wheels, and was a lector and Eucharistic minister at St. Leo's Church, Sonoma.

While she lived in San Francisco and worked for Wells Fargo Bank, she served terms as president of the Women of St. Paul's and the SF Parlor of the Native Daughters of the Golden West. Since the inception of the annual fundraiser of the Alumnae Association to support scholarships, BVM retirement, the Newsletter, and other outreach efforts, Mary Ann has been a consistently generous donor, often offering multiple night stays at her time-share condos as Grand Raffle prizes. As recently as the week prior to Mary's death, Terry O'Brien Rioridan '53 and her daughter enjoyed a wonderful vacation thanks to Mary's 2001 gift.

While this partial list of activities tells something about Mary and her involvement in worthwhile causes, it cannot reveal her care for others and her great faithfulness to those she loved. She has been a great blessing to her family, friends, neighbors and co-workers. Her friendship was treasured by many and we thank God for her and the blessing she has been to our Alumnae.

## SCHOLARSHIP APPLICATIONS FOR CHILDREN/GRANDCHILDREN OF ALUMNAE

Over a year ago, the Alumnae Board unanimously approved a motion to disperse the 2001 fundraiser scholarship monies to the daughters and sons of alumnae who attend Catholic high schools in the Archdiocese of San Francisco. The Board has approved the same for the coming year. Grandchildren are also eligible for assistance.

Following the school's closure, the Board had determined that financial assistance toward providing a Catholic high school education was a significant way to continue the mission and ministry of St. Paul's High School.

This assistance is in addition to the annual grant to a female graduate of St. Paul Elementary made in memory of Sister Mary Carlita, B.V.M.

An Ad Hoc Scholarship Committee has been set up to process the scholarship applications. Alumnae who wish to apply for consideration of a family member should request an information packet by writing to:

SPHS Alumnae  
Attn: Scholarship Committee  
221 Valley Street  
San Francisco, CA 94131

Requests for applications should be mailed by April 15, 2002, identifying the Catholic high school the student will attend. It is presumed that all families need assistance with the current tuitions. A packet will be sent to each family that has requested consideration. The family must return the materials by May 15, 2002. The Scholarship committee expects to respond to each family by the first of June.

## BVM DUBUQUE & CHICAGO ADDRESSES

One of our alums suggested that it would be a nice idea to write to BVM Sisters (former students or SPS faculty) who are now in Dubuque (at the Motherhouse, Marian Hall, or Caritas Center), or in retirement in Chicago (Wright Hall), or who serve in BVM leadership or at Clarke College, Dubuque.

### WHAT ARE THREE LITTLE PENNIES?

The U.S. Postal Service has just announced that first class mail will now cost \$0.37 an ounce. While a 3 cent raise may not seem much on a letter here or there, when the Alumnae Association mails its 3,500 pieces four times a year, that now amounts to a whopping \$5,180! And that doesn't begin to take into account the printing costs which exceed this amount.

The Alumnae Association has always felt that every graduate, dues-paying or not, should receive the Newsletter. Communication is more important than pennies...or dollars! However, each alumna who sends in her annual dues of \$10 helps to defray the printing and postage costs. Many of you have indicated how much you appreciate the contact. SO DO WE. Dues are accepted at any time of the year. Just send a check to: SPHS Alumnae Association, 221 Valley St, San Francisco, CA 94131.

### CORRECTION

In the October 2001 issue, p. 3, Bank of America was mistakenly credited with giving St. Paul High School the large grant following the Loma Prieta earthquake. In fact, through the good work of Barbara Keeley '53, one of its long-time employees, Wells Fargo Bank, made the generous \$50,000.00 grant. We apologize for the error. Ed.
