NOVEMBER MASS AND TEA HONORS GOLDEN BELLES OF CLASS OF 1958

Saturday, November 11, 2007, saw yet another Golden Belle class honored by the St. Paul High School Alumnae Association. Twenty-eight members of the **Class of 1958** attended the Mass at 11:00 a.m. in beautiful St. Paul Church, followed by a High Tea in the Parish Center. Approximately 180 alumnae gathered there for this event, hosted by the Class of 1961, who were the "little sisters" of the Class of 1958. A Golden Diploma was presented to each Belle which stated:

"On the semi-centennial of her successful completion of the prescribed Courses of Study, this special Golden Diploma is presented to *N.* All rights and privileges heretofore extended are reaffirmed."

Monica Farrell Curran '77 presented a check from her class reunion to **Alumnae President Marilyn Highlander-Pool '63**.

Marking their 60th, the **Class of 1948** was well represented, decked out in festive hats befitting the afternoon's High Tea.

ANNUAL FUNDRAISER "SPRING into SPRING"

You don't want to miss the upcoming **Fundraiser reception on Saturday, April 1, 2008, from 2:00 – 4:00 p.m.!**

There will be plenty of food, great company, and, of course, the Grand Raffle drawing at 3:30 p.m., along with other prizes.

THANK YOU to all who will make the annual event a SUCCESS, so that we can continue to support young people in Catholic education, assist the BVM Sisters in their retirement, contribute to a center for women and children, and keep the Newsletter going.

The wonderful "little sisters" of the **Class of 1961** who were the planners and hostesses for the November Tea, honoring their "big sisters," the Golden Belles of the Class of 1958. Twenty-eight of this class came to the Tea.

YOU WILL BE VERY HAPPY WHEN YOU SEE...

For the last several years, a part of the fundraiser contributions has been going to the Bay Area Women's and Children's Center in the Tenderloin which focuses entirely on the needs and issues of low-income families, children, and women. The BAWCC offers a variety of direct services that address immediate needs and assists with achieving long-term stability. Midge Wilson, the founder and director of this center, has made miracles happen throughout the neighborhood. Women receive everything from free clothes and food to help with seeking employment. Through their efforts in the community, children have a new school (there was none before!), five new playgrounds, and even free dental care. We hope to have a video at our fundraiser reception so you can see for yourselves the good you are doing.

Vicki Hoyos Hansel '57 (center) receives the Silver Beaver Award (*described at right*). She is flanked by **Ruth O'Malley Tortorelli '64**, Ruth's husband Ron, and son Steven, one of the Eagle Scouts mentored and guided by Vicki.

On February 2, 2008, **Vicki Hoyos Hansel '57** was awarded the Silver Beaver for distinguished service to youth. The San Francisco Bay Area Council of the Boy Scouts of America, acting through its National Court of Honor, confers this award for "noteworthy service of exceptional character to youth by registered Scouters."

Vicki has been involved in Scouting for 37 years, working as a Den Mother, Scout-O-Rama Ticket Chair, and a member of her Pack Committee. She served on numerous District Committees and the Pow Wow Committee. She is currently the Eagle Board Coordinator of the Golden Gate District of the Boys Scouts and spent an extraordinary amount of time ensuring all Eagle paperwork was complete and in proper order before it was submitted. Her work with Scouts to refine and perfect their project concept and plans made it possible for them to focus more effectively on the planning and execution of their projects.

ALUMNAE CANDLELIGHTING

The annual Advent Candlelighting was held December 11, 2007. As St Paul High School Alumnae are well aware, the experience and beauty of the candlelit church and the power of this tradition truly puts you in the Christmas spirit!

I was asked to summarize the event and write an article; but what better way than "share the joy" by passing on emails and comments I received after the event:

What a joy to see the church so full for candlelighting! It sparks such a warm place in the hearts of alums and is a truly special experience. I think it really is what the holidays are all about!!

St. Paul's is a really big part of who we are and how we view the world. We need to share the love we all have!!

Thank you ALL so much for being there... it was pretty magical...

I just wanted to tell you that I had a wonderful time at Candlelighting. Seeing two other classmates was a blast from the past! Just wanted to say that I'll be there next year!!

Thanks for sending the reminder about Candlelighting. I am glad that I went, I really enjoyed it. I'm going to try to get more people from my class to go next year.

It really meant a lot to me to see all of you again. It brought back lots of wonderful memories. We truly had a wonderful group of classmates and you all look so good! I hope we keep in touch.....We definitely have the St. Paul's spirit... I love you guys!

It was absolutely wonderful to see you all.... at St. Paul's. I must have cried half the way home. You all look so well and you are all still so CRAZY!!!! I love it! I've missed you more than I knew, myself. Please keep in touch, I'd hate to lose any of you again!

I had a great time!! I'm so amazed at how we just seemed to pick up where we left off!! Just like family !! Good ol' St. Paul's!!!

I love seeing my classmates, but especially enjoy meeting other alumnae as there is quite the sisterhood (& brotherhood)!

Thank you again for spreading the word about the Candlelighting Ceremony at good old St. Paul's. How wonderful and how appropriate; I'm very proud of each one of us. My wish is to keep the spirit of the season fresh in our hearts now and throughout the coming year. I will redouble my efforts to bring more of my buddies to the Candlelighting Ceremony next year. I'm very privileged to celebrate with all of you.

Candlelighting was a blast this year. Let's keep the tradition going! Love you all!

Remember, it only happens if you come; if people stop coming, Candlelighting will be no more. It is our shared hope that you all bring family and friends so that we may continue this beloved tradition!

TUITION ASSISTANCE APPLICATIONS for CHILDREN and GRANDCHILDREN of ALUMNAE

Part of the monies collected in the annual fundraiser provide tuition assistance to the children and grandchildren of alumnae who are now attending Catholic high schools.

Financial assistance toward providing a Catholic high school education is a significant way to continue the mission and ministry of St. Paul's High School. This assistance is in addition to the annual grant to a female graduate of St. Paul Elementary made in memory of Sister Mary Carlita, B.V.M.

An Ad Hoc Scholarship Committee has been set up to process the applications. Alumnae who wish to apply for consideration of a family member should request an information packet by writing to:

SPHS Alumnae
Attn: Scholarship Committee
221 Valley Street
San Francisco, CA 94131

Requests for applications should be postmarked by April 21, 2008. A packet will be sent to each family that has requested consideration. Completed materials must be postmarked by May 27, 2008. The Scholarship committee expects to respond to each family by the end of June.

CONTRIBUTIONS TO BVM SISTERS

The recent *Perspectives* publication from the BVM Development Office revealed again the many St. Paul High School alumnae who have contributed to the support of the BVMs in the past fiscal year. These gifts, large and small, continue to assist us to do ministry across the US and around the world and to care for our retired and infirm Sisters. You are part of the wonderful 175 years of partnership we celebrate this year. **We thank you**, and invite others to consider a gift to the BVMs, either this year or as part of your estate plans. It would be a fitting way to say "Thank You" for all that was given at St. Paul's by the BVMs. [See also notice "Save the Date" for October 4, 2008 on p. 8.]
